

**Kansas State University  
Director of Facilities - K.S.U. Salina Campus**

May 27, 2008

Kansas State University is seeking candidates for the position of Director of Facilities - K.S.U. Salina. The position reports to the Associate Vice President for Facilities and is responsible for the successful operation of maintenance and services provided by a staff of 18 for the K.S.U. Salina campus, which includes asbestos abatement, general trades, maintenance contracts, special maintenance, work management, energy management, grounds and custodial maintenance.

The successful candidate should have a good management background that includes responsibilities for budget, customer service, employee relations, and an understanding of Affirmative Action requirements. This position is important in the development and implementation of preventive maintenance, new construction and the renovation of existing facilities and grounds.

A Bachelor's Degree in facilities management or related field, or a combination of post-secondary education in building trades, ten years related work experience and management experience of five years is required. Ten years management background and management background in facilities is highly desired. The successful candidate will foster a positive, collaborative, team-oriented environment and be flexible and adaptable to a changing environment. The position must be visible, accessible and responsive to the needs of the K.S.U. - Salina campus.

To ensure priority consideration, application materials should be received by June 23, 2008. Applications will be accepted until the position is filled. Please forward a letter of interest and a resume listing three recent work references to:

David A. Gronquist  
Division of Facilities  
112 Dykstra Hall  
Manhattan, KS 66506
